COMPANY PROFILE

2026

COMPANY OVERVIEW

Last Line Security Services is a professional and fully licensed security solutions provider operating in the United Arab Emirates. Established to meet the growing demand for reliable, compliant, and high-quality security services, the company delivers customized protection solutions across public and private sectors.

As a SIRA-certified security company, Last Line Security Services is committed to safeguarding people, property, and operations through a proactive, risk-based approach. Our services are designed to align with international best practices while meeting all local regulatory requirements.

We combine disciplined manpower, advanced security procedures, and customer-focused service to ensure uninterrupted operations and peace of mind for our clients.

SECURITY SERVICES

MISSION, VISION & CORE VALUES

OUR MISSION

To provide superior, adaptable, and cost-effective security services that protect people, assets, and business continuity while maintaining the highest standards of professionalism and integrity.

OUR VISION

To become a trusted and preferred integrated security partner across business, government, industrial, and residential sectors in the UAE.

CORE VALUES

- Integrity and ethical conduct
- Professionalism and accountability
- Respect, teamwork, and trust
- Continuous training and development
- Customer-centric service delivery

MANAGING DIRECTOR'S MESSAGE

MANAGING DIRECTOR'S MESSAGE

At Last Line Security Services, our commitment to safety, integrity, and professionalism defines everything we do. From the beginning, our vision has been to build a security company that goes beyond manpower one that delivers confidence, continuity, and real value to our clients.

In today's rapidly evolving security landscape, organizations require partners who understand risk, compliance, and operational realities. We take pride in providing SIRA-certified, well-trained, and disciplined security professionals who represent our clients with respect, vigilance, and accountability. Our focus is not only on protecting assets and people, but also on enhancing business environments through reliability and service excellence.

I extend my sincere gratitude to our clients for their trust and to our dedicated team whose professionalism and commitment make our success possible. As we continue to grow, Last Line Security Services remains focused on innovation, quality, and long-term partnerships—standing firmly as your last line of defense.

LICENSING, COMPLIANCE & STANDARDS

LICENSING, COMPLIANCE & STANDARDS

Last Line Security Services operates as a fully licensed and insured security company in the UAE. We are approved and certified by the Security Industry Regulatory Agency (SIRA) and comply with all applicable UAE laws and regulations.

Our operations follow strict compliance frameworks covering:

- Personnel licensing and vetting
- Training and certification standards
- Operational procedures and reporting
- Health, safety, and emergency protocols

Continuous audits and quality assurance programs ensure consistent service excellence across all contracts.

SECURITY SERVICES

OUR SECURITY SERVICES

Last Line Security Services provides a comprehensive range of sector-specific security solutions, including:

- Concierge & Front Desk Security
- Educational Sector Security
- Event Security Services
- Financial Sector & Bank Security
- Government & Critical Infrastructure Security
- Healthcare Sector Security
- Hospitality Sector Security
- Industrial & Warehouse Security

Each service is tailored to the unique operational, physical, and risk requirements of the client environment.

MANPOWER & TRAINING EXCELLENCE

MANPOWER & TRAINING EXCELLENCE

Our strength lies in our people. Last Line Security Services recruits highly qualified, well-presented, and experienced security professionals.

All personnel undergo:

- SIRA-mandated training and certification
- Site-specific induction programs
- Customer service and communication training
- Emergency response, first aid, and fire safety training
- Continuous performance evaluation and refresher courses

This ensures our officers are prepared to operate effectively in high-risk, high-profile, and customer-facing environments.

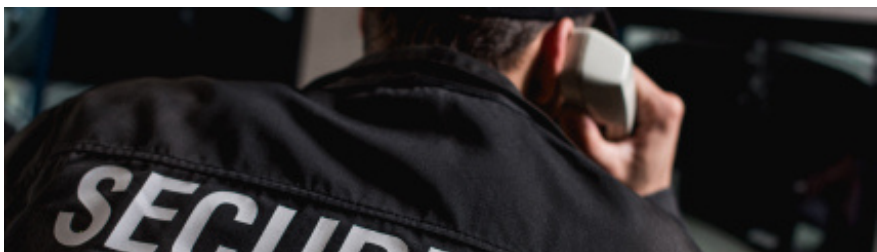

SECTOR EXPERTISE & RISK MANAGEMENT

We understand that each sector presents unique security challenges. Our risk management approach includes:

- Detailed site risk assessments
- Customized security planning
- Access control and perimeter protection
- Incident prevention and response
- Emergency and evacuation management

By adopting proactive security strategies, we reduce vulnerabilities, enhance safety, and protect reputations.

SECTOR EXPERTISE & RISK MANAGEMENT

CUSTOMER COMMITMENT & SERVICE APPROACH

CUSTOMER COMMITMENT & SERVICE APPROACH

Last Line Security Services operates with a strong customer-partnership philosophy. We work closely with clients to understand their objectives, risks, and operational needs.

Our service approach includes:

- 24/7 customer support
- Dedicated management supervision
- Transparent reporting and communication
- Cost-effective and scalable solutions
- Rapid response and issue resolution

Our goal is to deliver consistent value and long-term security partnerships.

WHY CHOOSE LAST LINE SECURITY SERVICES

- Fully licensed, insured, and SIRA-certified
- Highly trained and professional security personnel
- Sector-specific security expertise
- Strong compliance and quality assurance systems
- Ethical business practices based on honesty, respect, and loyalty
- Proven ability to protect people, assets, and operations

At Last Line Security Services, we stand as your Last Line of Defense committed to safety, reliability, and excellence every day.

SECTOR EXPERTISE & RISK MANAGEMENT

SECURITY SERVICES

HEALTH, SAFETY & ENVIRONMENT

HEALTH, SAFETY & ENVIRONMENT (HSE)

Health, Safety, and Environmental responsibility is a core priority at Last Line Security Services. We implement structured HSE policies to ensure the safety of our employees, clients, and the communities we serve.

Our HSE framework includes:

- Risk identification and hazard mitigation
- Compliance with UAE safety regulations
- Emergency preparedness and response planning
- Fire safety, evacuation drills, and first aid readiness
- Continuous safety training and awareness programs

Our proactive HSE approach minimizes workplace incidents and ensures a safe operational environment across all sites.

QUALITY ASSURANCE & PERFORMANCE MANAGEMENT

QUALITY ASSURANCE & PERFORMANCE MANAGEMENT

Last Line Security Services maintains strict quality control systems to ensure consistent service delivery across all contracts. Our performance management framework focuses on accountability, transparency, and continuous improvement.

Key quality measures include:

- Regular site inspections and audits
- Supervisor and management oversight
- Performance evaluations and corrective action plans
- Client feedback and service reviews
- Compliance monitoring and reporting

These measures ensure our services consistently meet contractual, regulatory, and client expectations.

TECHNOLOGY & SECURITY SYSTEMS SUPPORT

TECHNOLOGY & SECURITY SYSTEMS SUPPORT

In addition to manpower solutions, Last Line Security Services supports clients through effective use of security technology and systems integration.

Our capabilities include:

- Access control systems coordination
- CCTV monitoring support
- Alarm response coordination
- Visitor management systems
- Incident reporting and digital documentation

By combining trained personnel with technology-enabled processes, we enhance situational awareness and response efficiency.

CORPORATE RESPONSIBILITY & COMMUNITY ENGAGEMENT

CORPORATE RESPONSIBILITY & COMMUNITY ENGAGEMENT

Last Line Security Services is committed to responsible business practices and positive community engagement. We believe security companies play a vital role in supporting social stability and economic development.

Our corporate responsibility initiatives focus on:

- Ethical employment practices
- Local workforce development
- Continuous skills enhancement
- Supporting community safety initiatives
- Promoting respect, diversity, and inclusion

Through responsible operations and community-focused values, we strive to build long-term trust with clients, employees, and stakeholders.
